### The living wage does not cover:

Credit card, loan, or other debt/interest payments.

Anything beyond minimal recreation, entertainment, or holiday costs.

Saving for retirement.

Costs of caring for a disabled, seriously ill, or elderly family member.

Owning a home.

Much of a cushion for emergencies or tough times.

Savings for children's future education.

The living wage calculation is based on the needs of two-parent families with young children, but would also support a mix of family types throughout the life cycle so that young adults are not discouraged from having children and older workers have some extra income as they age.
