

Budgets are about choices.

This or that.

THIS
 Expand **ecoEnergy** home efficiency program
 Train workers for new **green energy jobs**
 Protect Canada's **freshwater** resources

THIS
 Create a Canadian **national museum policy** (\$50 million/year)

THIS
 Give children living in First Nation communities a **good education** and **clean water**

THIS
 Improve Canada's **Employment Insurance** system for those who've lost their jobs

THIS
 Reduce **post-secondary education tuition** to 1992 levels
 Provide universal \$10-a-day **childcare**

THIS
 Implement a publicly insured **Pharmacare** plan for all Canadians

\$50 million

\$1 billion
/year

\$1 billion
/year

\$2 billion
/year

\$4 billion
/year

\$11 billion
/year

THAT
 Continue subsidizing **oil & tar sands** development

THAT
 Produce an **ad campaign** promoting the government's Economic Action Plan

THAT
 Continue to increase **military** spending

THAT
 Hand out tax breaks for stock options in **executive pay**

THAT
Cut taxes for corporations

THAT
 Purchase of **F-35 fighter jets**
 Increasing **prison terms**
 Security for **G8/G20** summit

What would you choose?
